PROFESSIONAL SUMMARY

A dedicated educator and researcher with extensive experience in higher education, currently serving as an Assistant Professor IV at Quirino State University. Specializes in Biology Education, Science Education, and the intersection of Artificial Intelligence (AI) in Education, with a particular focus on AI literacy and student motivation framework modeling. An active contributor to peer-reviewed scholarly literature, including Scopus-indexed research, possessing strong methodological competency in educational assessment and quantitative research designs. Seeks to contribute academic rigor and domain expertise as a peer reviewer for high-impact journals in STEM, teacher training, and educational technology.

EDITORIAL & REVIEWER EXPERTISE

- **STEM & Higher Education:** Biology Education, Science Pedagogies, Teacher Education Curriculum, Higher Education Policy.
- **Educational Technology & AI:** AI Literacy, Artificial Intelligence in Education (AIED), Education 4.0 Integration.
- **Psychological & Methodological Frameworks:** Learning Motivation (Expectancy-Value Theory), Educational Assessment Practices, Quantitative Research Methodologies

RESEARCH METRICS

Total Publications: 3 **Scopus-Indexed Publications:** 1 **Google Scholar Citations:** 9
h-index: 2 | **i10-index:** 0

ACADEMIC APPOINTMENTS

Quirino State University, Philippines

- **Assistant Professor IV** (2023–Present)
Faculty member within the College of Teacher Education. Lead instructional delivery, undergraduate research mentorship, and institutional research initiatives.
- **Assistant Professor II** (2022–2023)
- **Instructor I** (2017–2022)

EDUCATION

- **Doctor of Philosophy (PhD) in Science Education** – Major in Biological Sciences
- **Master of Arts in Teaching (MAT)** – Major in Biological Sciences
- **Bachelor of Secondary Education (BSEd)** – Major in Biological Sciences
